

May is the time when the retail and on-trade should be gearing up for strong summer sales, ensuring that outdoor signage is clean and serviceable and getting ready to promote summer events.

This year we've also got the World Cup to look forward to, which starts on June 11th - that's just one month away! As previously trailed we have some special World Cup products and a great offer to look out for - see below for more details.

Come on England!

FREE

'Follow On' Vinyl Sticker

Our World Cup boards are personalised with an attractive World Cup sticker - but what's the use of this after the event? To overcome this problem, every World Cup board we send out will also have a **FREE** 'Next Match Live Here' sticker that you can use when the World Cup is over - problem solved!
