

The background of the entire page is a close-up, high-speed photograph of water. Several clear, spherical droplets are captured in mid-fall, creating a series of concentric ripples that spread outwards from the point of impact. The water's surface is highly reflective, showing bright highlights and deep shadows that emphasize its texture and movement. The overall color palette is a range of blues, from light sky blue to deep, dark navy blue.

"Good printing cannot make a bad book good, nor bad print ruin a good book.  
But good printing can create a valuable spiritual state for the reader,  
bad printing a certain spiritual discomfort."
